

by The Campus League of Puzzlers

The Campus League of Puzzlers is a group of students and alums who enjoy writing and solving puzzles. Our main event is the annual Berkeley Mystery Hunt, a 12 hour puzzle solving competition for teams of up to 10 people. This year's hunt will be Sunday, May 4 and registration is now open! If you and your

friends like puzzles, start getting together your team. No previous puzzling experience necessary. To learn more, or to register, visit our website.

The goal of this column, which runs in the Daily Cal and on our Facebook page each Thursday, is to introduce you to a wide variety of puzzles. In the month of April, each puzzle will give you some information and the first step will be to figure out what to do with it. The answer to each puzzle will be a single English word, and at the end of the series there will be a metapuzzle using these answers.
