by The Campus League of Puzzlers

The goal of this column, which runs in the Daily Cal and on our Facebook page each Thursday, is to introduce you to a wide variety of puzzles. In the month of April, each puzzle will give you some information and the first step will be to figure out what to do with it. The answer to each puzzle will be a single English word, and at the end of the series there will be a metapuzzle using these answers.
