

### Solution to Flowerbed

Answering the clues and filling them into the grid results in the following completed grid:

Reading the numbered letters in order, the answer to the question "What grows in this puzzling garden?" is **DAFFODILEMMAS**. Congratulations to Justin A., CoyoteCreed, and sean kern, who were the first three to submit the correct answer to last week's puzzle on our website.

Thanks to all those who submitted puzzles to us for our puzzle contest. We will print the best puzzle in the next column (December 4). Here is the last puzzle of the semester (another rerun). Submit your answer on our website (<http://puzzle.berkeley.edu>).
