

content is the hardest part. The title and flavortext usually indicate the theme of the puzzle, and provide clues about how to manipulate the information you've been given. The full meaning of these clues may only be evident once you've figured out what to do. Solving the puzzle requires extracting an **ANSWER**, which will be a common English word or short phrase. It should become clear when you've found the answer. Sometimes you may think you need to consult external information; that's okay, no resource is off-limits when solving. When you think you know the answer, submit it on our website (<http://puzzle.berkeley.edu>).
