Solution to **OVERBOOKED**:

Treat each of the times given in the agenda as if you were reading it on 24-hour clock. Read the position of the clock hands as semaphore. The semaphore spells out the instruction *INDEX BEFORE NOON*. Use the hours of the times which are before noon to index into the corresponding agenda text. This spells out the answer **PENCIL IN**. Congratulations to Moor Xu for submitting the correct answer to last week's puzzle on our website.

The annual Berkeley Mystery Hunt will be held May 3, 2015. Registration is now open at <https://oskileaks.org>. Get together up to nine of your friends and get ready to solve some puzzles. Registration closes this Friday!
